Irish Genealogy Research Group

Goal: Research, learn and share information and tools used to improve knowledge of our Irish heritage.

Proposed Topics

- Three Useful Research Tools
 - IrishGenealogy.ie
 - Irish Genealogy Tool Kit
 - Irish-genealogy-toolkit.com
 - Ireland Reaching Out
 - irelandxo.com

Ireland Genealogy.ie

- Free site funded by the government
 - Let's look at the site:
 - Top line – church records, civil records, research
 - Look at what the data base covers before you start putting in research data.
 - I'll demonstrate some examples.

Irish Genealogy ToolKit

Our second Free site but not government funded:
irish-genealogy-toolkit.com

- Opening page shows available topics for research
 - Click down the menu from image to image.
 - Census- look at related pages and links

Ireland Reaching Out

- Third free site- irelandxo.com
 - Opening page:
 - Ancestors- info on people already researched
 - Buildings- Look at workhouses by county and parish
 - Timeline- what events were happening over time, history
 - Message Board – by county, post requests for help.
 - Community
 - Genealogy Topics – good research aids here.
